Full-Service FAQ

What is full-service catering?

Full Service Catering means Knoebels handles the meal from start to finish—set-up, clean-up, and all the paper products are included. You'll give each person in your group a meal ticket. At our scheduled serve time, everyone meets at your reserved pavilion to hand in their ticket. Meals are served cafeteria style, with one serving of each item per person, one time through the line.

Can I add to my Knoebels Kitchen Special?

Yes! Additions are welcome. Substitutions are not.

Are kids the same price?

Yes, all guests pay the same price—except kids age 2 and under. Kids 2 and under eat free but must have a special meal ticket. You'll need to let us know how many kids under 2 you expect so we can provide the correct number of tickets. All guests, regardless of age, must present a meal ticket to receive a meal.

How long is my serve time?

Your service will be 45 minutes.

How long do we have the pavilion?

All day. Space is reserved by table, so it's likely that other groups will have tables in the pavilion as well.

How am I billed?

A non-refundable deposit is due at time of booking. You will be billed for the final count of meals you order or total meals served, whichever is higher. An invoice will be generated the week after your picnic, and you will have 30 days once received to submit payment.

What if it rains?

All of our events are rain or shine. No Cancellations or rain dates.

Do you have vegetarian options?

Absolutely. We will need to know the number of vegetarian meals when final counts are due. We offer the following vegetarian options: Veggie Burgers (will replace Hamburgers, Pulled Pork & BBQ options), Veggie Nuggets (will replace Chicken Nuggets, BBQ Chicken), Carrot Dogs (will replace Hot Dogs & Hot Sausage Options).

When is my final count due?

Two weeks before your event. The exact date final counts are due will be communicated when you book your event. No cancellations accepted after this date.

What if I need to change my final count?

A \$1000 change order fee is applied to full-service caterings if meal counts are altered after final count is received.

What if the attendance for event was lower than anticipated?

We prepare food based on the final guest count you provide. Even if fewer guests attend, you'll be invoiced for 95% of that final count.
